

## Crane, Rigging, and Construction Workers Recognized as Essential Critical Infrastructure

The Associated General Contractors (AGC) of America, working with the Department of Homeland Security has declared construction as an essential industry. A new memo that was sent by the Cybersecurity & Infrastructure Security Agency outlines industries recognized as critical to essential infrastructure including construction

The safety and well-being of our customers and employees is always our top priority at JJ Curran. That being said, we are still performing work for industries engaged in essential critical infrastructure.

Please continue to call us at (313) 842-1700 or [contact us](#) at our website. Allow us the opportunity to do what we do best - provide safe and reliable lifting services to our community.

Our Emergency Services will continue to be available 24/7/365 until further notice.

We will continue to monitor the situation, and we are following the preventative measures recommended by Governor Whitmer as well as the CDC for our

employees and our customers regarding the COVID-19 national emergency.

Please refer to [Michigan.gov](https://www.michigan.gov) for more information on [Executive Order 2020-21 \(COVID-19\)](#) and the [CDC](https://www.cdc.gov) for the latest information about how to stay safe during these unprecedented times.

Sincerely,

JJ Curran Crane
