

Schedule Your Lift and Avoid the Rush

Governor Whitmer recently indicated that residential and commercial construction will be one of the first sectors to reopen as part of the MI Safe Start Plan.

Looking forward to the step-by-step opening of Michigan's economy we at JJ Curran anticipate that our cranes will be busy. **Schedule you lift to keep your project moving forward.**

Recognized as an essential business, JJ Curran has implemented some additional safety measures to keep both our employees and customers safe while working together to keep your projects running smoothly.

We are committed to providing you the latest information regarding the status of our operations and the steps we are taking daily to ensure a safe work environment. For more specific information visit our website.
